

SQUAMISH Multicultural Festival

We are very excited to announce that **The Squamish Multicultural Festival (SMF)** will be held on September 15th. We would like to invite you to attend this wonderful event.

SMF is an event for the whole community. Our goals are:

- To showcase diversity in Squamish – from the First Nations people that have always lived here to the immigrants from many different cultures and lands that have come to make this town their home.
- To build mutual respect, understanding and connection between our diverse communities.
- To appreciate the variety and richness that makes Squamish such a unique place to live, work, and play.

We will have crafts, dances, live music, games, workshops, food, and arts from all over of the world. We will hold a multicultural potluck at the end of the event. And much more!

Bring your family and friends, from ages 0 to 100 (or even older), and join us for a day of enriching multicultural experience. Mark September 15th on your calendar!!!

If you are interested in organizing an activity or display with your particular ethnic community or just volunteering in general during the Festival, please let us know. We would be happy to work with you to make something special happen.

Please, help us spread the word!

Warmly,
Squamish Welcome Centre
